RE: Patent #: 5968067

Dear Mr. Wood:

I filled out the reinstatement e-petition under 37 CFR 1.378. As per our previous conversation there was an additional surcharge of \$700 to be paid for unavoidable circumstances (my previous fee was applied to another patent due to my name being connected erroneously to that patent through a clerical error).

I need to know how to pay this fee and where it should be sent.
